

Department of Spanish and Portuguese — May 2025

The **Gabriela Mistral Student Prize in Spanish** is awarded to a graduating SPN major for the best senior essay or project in Spanish. Submissions, one per student, may include papers, portfolios, or projects in Spanish, completed for courses or special studies during the last two semesters of study, excluding honors theses. Submissions must be electronically submitted but aren't required to be text-only. Hard copies will not be accepted. If submitting a portfolio or project, it must be scanned and submitted electronically in a form that is easy to access. Difficulty to access may disqualify a submission. Entries must include a cover sheet indicating for which course the submission was originally completed.

If interested in being considered for the prize, please complete the following information, attach this page to your submission and send an electronic copy as an email attachment to David Osepowicz, dosepowi@smith.edu . Submissions must be sent **by noon on Tuesday, May 6, 2025**. Potential applicants should contact Spanish faculty with any questions. The Department reserves the right to award the prize as deemed appropriate each year.
