

DEPARTMENTAL PETITION TO TAKE EGR 270 OR EGR 220 OUTSIDE OF SOPHOMORE YEAR

A student can use this form to obtain permission to take EGR 270 and/or EGR 220 outside the sophomore year. The student must propose an academic plan that indicates the semester they plan to take these courses and all other courses required for their major. The completed form must be signed by the student and engineering advisor and submitted before the early registration period for the course in question. Please note that EGR 270 is offered only in the fall; EGR 220 is offered only in the spring. Please submit this form to the Program Assistant in Ford Hall 155.
